

❁ **BIANCO NERO** A super-chic and thoroughly modern new Italian restaurant has just opened up in Hammersmith, West London – Bianco Nero is the brainchild of Claire Derry and Tim Etchells, co-owners of several successful restaurants in London with Anthony Worrall Thompson. Chef Aron Johnson is cooking up dishes such as cannellini bean soup with baby cuttlefish, pappardelle with rabbit and rosemary ragù, and wood-oven roasted suckling pig with sautéed cavolo nero. Three courses without wine will cost you around £30 (wines range from a very reasonable £12.50 to £85 per bottle).
